

COMMISSIONERS RECORD Q, DOUGLAS COUNTY

55

Term, 19

day of

66-5

19

FIVE YEAR ROAD AND BRIDGE PERIOD

The Board discussed at great length with the County Engineer the projected road and bridge improvements throughout Douglas County over the next five year period. A tentative schedule for submission to the Secondary Department of the Kansas Highway Commission was approved for transmittal by the County Engineer. The County Engineer was further instructed to contact the Secondary Department to discuss the standard requirements on PAS Rt. #238.

ATTEST:

WHEREAS, on this 28th day of June, 1968, the Board of

County Commissioners of Douglas County, Kansas, have met at

regular session, the following Commissioners being present:
June 28, 1968

Travis E. Glass, Chairman; Harvey M. Booth, Member; and

The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board being present.

Walter Kampschroeder, Member;

Approved the minutes of the meeting of June 26, 1968.

AND WHEREAS, the voters of Douglas County, Kansas, have

in the year 1970 from funds to be levied under K.S.A. 68-1135.

The Board of County Commissioners received the minutes of the Board of Zoning Appeals meeting of June 19, 1968. It was moved by THE BOARD OF COUNTY COMMISSIONERS OF DOUGLAS COUNTY, KANSAS that the County Zoning Administrator be instructed to issue a permit for the mobile home, as recommended by the Board of Zoning Appeals, at the time that the water supply and sanitary sewer facilities are approved by the City-County Health Department. Motion carried unanimously.

It was moved by Mr. Booth and seconded by Mr. Kampschroeder that the Board approve changes of the Douglas County Zoning Regulations as submitted by the Douglas County Zoning Administrator at the meeting of April 25, 1968, be accepted except for recommendation #2 pertaining to Article 5-11.01. No change shall be made to this article at this time.

It was moved by Mr. Booth and seconded by Mr. Kampschroeder that the Board instruct the

Chairman to attend to the City Commission asking that they send the Board a formal declaration of their intention to participate in joint use of the County Government facility, such as that, will they indicate their desire to participate in (1) a total building complex, or (2) a partial building complex.

Walter Kampschroeder, Member

D.E. Mathia
County Clerk

It was moved by Mr. Booth and seconded by Mr. Kampschroeder that the Board authorize the State Highway Department to enter into a contract with the State Highway Department for the amount of \$227,458.37 for the approach work on the Douglas County side of the LeCompton Bridge. Motion carried unanimously.

It was moved by Mr. Booth and seconded by Mr. Kampschroeder that the Board approve the agreement for the Comprehensive Area-Wide Water and Sewer Planning Study to be conducted by the firm of Bartlett & West, Consulting Engineers, 310 West 33rd. Street, Topeka, Kansas. Agreement is subject to approval of a grant from the Farmers Home Administration. Fee for the planning study to be at the rate of 50¢ per capita for the residents of Douglas County outside the cities of the first class. Total cost to be paid by the Farmers Home Administration. Motion carried unanimously.

The Board executed the Sullivan Contract for property at 1107 New Hampshire at a total cost of \$13,200.00.

No further business, the Board adjourned to meet on July 3, 1968.
