Fairgrounds Building
KS Steel Built, Inc. It was moved by Mr. Heck that the final acceptance of the contract with Kansas Steel Built, Inc. in the amount of \$12,384 covering the roof structure, doors, windows, and steel paneling of a 70' x 80' building constructed at the 4-H Fairgrounds be approved. Motion was seconded by Mr. Ice and carried unanimously.

Possible widening of
DAMAGED TURNPIKE BRIDGE Mr. Don Venhaus, Assistant City Manager; George Williams, Public Works Director; L. D. Rice, County Engineer, and John Frazier discussed the possibility of expanding the bridge across the Turnpike on Iowa Street which was damaged. It was moved by Mr. Heck that the Board advise the Turnpike Authority to proceed with the repair of the bridge. Investigation has shown that it would not be practical to consider widening it at this time. Motion was seconded by Mr. Ice and carried unanimously.

Health Bd Minutes The Board received the financial statement of the meeting of the Lawrence-Douglas County Health Department and the minutes of the meeting of the Lawrence-Douglas County Board of Health of February 10, 1969.

HISTORICAL Members of the Douglas County Historical Society appeared before the Board to inquire about the possible future use of the Courthouse building as a historical museum. The Society requested consideration when plans are made concerning the use of the present Courthouse if and when a new building is constructed. Meanwhile the Board suggested to the Society that it may be possible to use the lobbies of the Courthouse to house a few historical artifacts.

No further business, the Board adjourned to meet February 17, 1969.
