A quorum of the Lawrence-Douglas County Planning Commission shall consist of six members.

SECTION IV. The Planning Commission shall have such powers and duties as are authorized by State law and provided for herein, and it shall take over and perform the powers, duties, and functions heretofore vested in the Lawrence City Planning Commission and the Douglas County Planning Commission, respectively. As a primary function the Planning Commission shall be responsible for the preparation, adoption, and maintenance of long-range comprehensive plans to guide the future development of the Lawrence-Douglas County land area. Such general plans shall consist of a land-use element, a circulation element, a parks and recreation element, and a public facilities element. The Planning Commission shall cause zoning studies to be made, and subdivision regulations to be prepared; and it shall submit to the Governing Bodies its recommendations relating to the zoning of lands and the control of subdivisions within their respective jurisdictions. Recommended development plans for public facilities, urban renewal, environmental sanitation, and area beautification shall also be considered.

The Planning Commission shall see that the comprehensive plans are altered as necessary to serve as a continuous guide to future long-range planning, and that statements are prepared annually to show the recent and past growth, development trends and anticipated growth for the succeeding year, and the bearing of such trends upon the comprehensive plan.

The City Commissioners of the City of Lawrence shall exercise legislative authority over zoning, subdivision control, and other planning regulations within the corporate limits of the City; and the Board of County Commissioners shall exercise similar authority over the unincorporated area of Douglas County.
