THE WORLD CO., LAWRENCE, KANSAS 66044-1-67

Lawrence Bridge

The Board met with Mr. Truman Schlup of Schlup, Becker & Brennan, Engineers for the proposed Kaw River Bridge at Lawrence. A discussion was held concerning the status of the existing contract with Schlup, Becker and Brennan and a request for directions from the Board as to how the firm should complete their contract and study was made. After considerable discussion, Mr. Schlup was advised to submit a proposal to the Board for any necessary changes in their contract brought about by possible cost increases caused by the delay in completing a final design for a four (4) lane structure with a southern terminus at 6th. and Tennessee and on grade intersections at the North and South entrances to the Bridge.

No further business, the Board adjourned to meet on May 23, 1969.
