The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board being present.

Approved the minutes of the meeting of July 14, 1969.

The Board discussed with Darleen Hill, Budget Director, the policy of including the first six months of the years expenditures on proposed budgets. Since budgets for subsequent years have to be prepared and approved during the sixth month of the year, it was suggested by the Board that beginning in 1970, the proposed budgets be prepared showing only the first five months expenditures. This will give the officers and Board more time to consider budgets before granting approval.

It was moved by Mr. Ice and seconded by Mr. Heck that the Board authorize the County Engineer to proceed with the contract with Concrete Materials, Inc. for the crushing or road rock in the following locations in the following amounts.

Flory quarry: approximately 15,000 tons - West and South of Pleasant Grove
Killough Quarry: approximately 15,000 tons - West of Eudora

All rock to be crushed at the rate of \$1.30 per ton in stock pile at the quarry location. Motion carried unanimously.

It was moved by Mr. Heck that the application for approval of the extension of employment beyond age 70 for Douglas County employee, Lucy Anderson, in the office of the Clerk of the District Court be approved. Motion seconded by Mr. Ice and carried unanimously.

The Board received the quarterly reports from the office of the Probate Judge, County Treasurer, Register of Deeds, Clerk of the District Court, County Court, and Sheriff. The received reports were approved by the Board.

The Board received from the League of Women Voters a request to declare a moratorium on the approval of proposed subdivision development in rural Douglas County until appropriate subdivision regulations could be adopted.

No further business, the Board adjourned to meet on July 18, 1969.
