August 8, 1969

The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board being present.

Approved the minutes of the meeting of August 6, 1969.

*Wakarusa Watershed Floodway Project: Discussion*

Mr. Elmer Carriker of Baker University, Mr. Carter Anderson of Wakarusa Watershed District, and Mr. Orman Snyder, Project Engineer, appeared before the Board to discuss Floodway Project #1 which will run parallel to Louisiana Street. The County Engineer was instructed to prepare the necessary survey of plats to establish the required right of way for a 200 foot road right of way on the section line between Section 7 and Section 18, Township 13, Range 20 and also the necessary additional land to provide for the transfer of ownership of the now existing drainage ditch running east and west to the court side of the Section line between these sections, and third, a description of the easement needed for a widening of Louisiana Street from a point on the Section line between Section 13, Range 19, Township 13, and Section 18, Range 20, Township 13. Right of way to be widened 30 feet, 15 feet on each side of Louisiana Street.

No further business, the Board adjourned to meet August 11, 1969.

August 11, 1969

The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board being present.

Approved the minutes of the meeting of August 8, 1969.

*Comm. Order #647*

Commissioners Cancellation Order #647 was approved by the Board and signed by the Chairman. Order is on file in the office of the County Clerk.

*raise for Frank Galloway*

It was moved by Mr. Heck and seconded by Mr. Ice that Frank Galloway be authorized a \$15.00 per month increase upon completion of his six months of service. Motion carried unanimously.

*Sign regulations in zoning*

Mr. John Clyatt, County Zoning Administrator, appeared before the Board to discuss various sign regulations and violations of these said regulations. Of particular concern was an application for a temporary sign. The Board instructed the County Zoning Administrator to prepare (1) supplemental regulations that would give the Board authority for temporary use of signs for a stipulated period of time, and (2) another regulation to pertain to information signs giving directions, locations, and things of this type. These proposed regulations are to be submitted to the Board for study and consideration.

*Recommendation for Taury Creek Watershed Dist.*

The Board wrote a letter of recommendation supporting the purposes and projects for works of improvements of the proposed Taury Creek Watershed Joint District #82, State of Kansas.

No further business, the Board adjourned to meet on August 13, 1969.
