

Commission a public hearing will be held relative to this possible amendment. Item #7 was then discussed with Mr. Phil Bay being present. Item #7 refers to consideration of final plat of Pleasant Grove Estates located in Sec. 2-T14S-R19E submitted by Four, Inc. Mr. McClanathan presented the item to the Board and indicated that the plat appeared to be in order for approval, with the exception that all pinning of lots has not been completed. The performance bond required for the construction of roads appears to be in order and Mr. McClanathan agreed to take the responsibility of seeing that the performance bond is properly filed with the Clerk of the Dist. Court. It was moved by Mr. Ice, seconded by Mr. Heck and carried unanimously that the final plat of Pleasant Grove Estates Subdivision be approved subject to the deposit with the County Engineer's office of a certified check in the amount of \$2,000.00 to serve as bond and assure all lots being pinned as soon as possible; this certified check to remain on deposit pending a letter from the office of the Douglas Co. Engineer to this Board stating that all lots have been pinned.
