Cities Service Gas proposal accepted

County Engineer Rice appeared before the Board with a proposal from the Cities Service Gas Company relative to their relocation of certain of their gas lines to allow the County to proceed with project 699 improvement of 31st Street. After due review of the proposal it was moved by Mr. Ice, seconded by Mr. Cragan that the proposal as submitted by the Cities Service Gas Company be accepted. Motion carried unanimously.

31st Street const. contract signed

County Engineer Rice also presented the Board with copies of the 31st Street construction contract. The contract has been signed by the successful bidder, N. R. Hamm Contractor, Inc., and indicated that all requirements have been met. After due consideration it was moved by Mr. Ice, seconded by Mr. Cragan that this Board affix the proper signatures to the contract and make same a binding contract. Motion carried unanimously.

Bid of Jim Clark Motors accepted for 3 dump trucks

Engineer Sanderson appeared before the Board with Mr. Brubeck, representing Jim Clark Motors, who were the apparent low bidders to supply 3 dump trucks. After some discussion, it appeared that all points regarding specifications had been satisfactorily resolved, and that the bid of Jim Clark Motors meets specifications with the understanding that a letter will be forthcoming from the Dodge Division of the Chrysler Corp., setting out the type frame to be installed on the new trucks meeting specifications with the above understanding, it was moved by Mr. Ice, seconded by Mr. Cragan that the bid of Jim Clark Motors in the amount of \$18,989.00 be accepted for three dump trucks meeting specifications as set out. Motion carried unanimously.

No further business, the Board adjourned to meet on Friday, August 27, 1971.

Lone Star Lake fish survey report rec'd.

The Board noted receipt from Mr. Donald G. Huggins, Biologist with the Kansas State Biological Survey, of a report setting out the results of test netting and electrofishing in Lone Star Lake in June, 1971. The report sets out the species and relative population of the various species as determined by the survey, and sets out certain recommendations to be considered. The Board agreed to furnish interested parties with copies of the survey report, being hopeful that after due consideration by some who have considerable interest in Lone Star Lake fishing possibilities that joint considerations may be given to the recommendations.
