Res. # 72-7:
Counselor Young
to continue job
1972 & setting
out salary &
office supply
expenses

Counselor Young appeared before the Board to discuss his continuance as County Counselor for the year 1972. Counselor Young indicated that his retention as Counselor has been largely on a trial basis and he in a beginning year had not been in a position to properly determine the amount chargeable to the County for office expense relative to his work as Counselor. Mr. Young indicated that after one year of experience that he was now able to do so and felt that a payment of \$80 per month would compensate for this office expense attributable to his work for the County. The Board then considered resolution No. 72-7, which resolution would establish Counselor Young's salary at \$420 per month commencing February 1, 1972. The resolution further sets out that Counselor Young will be reimbursed in the amount of \$80 each month for supplies, postage, telephone and secretarial expenses. It was moved by Mr. Ice and seconded by Mr. Cragan that resolution No. 72-7 be hereby adopted. Motion carried unanimously.
