THE WORLD-BELL, LAWRENCE, KANSAS 66004-317

indicated that several county and township roads within the construction area will need to be closed by county action. Accompanying the letter was a map showing the roads which need to be closed and the letter further indicates that this closure date should be as of May 1, 1972. A final paragraph in the letter assures the Board that no one will be denied access to either home or field prior to alternate access being provided or leases expire. Engineers Sanderson and Rice were present for the discussion and agreed that proper procedures should be commenced to implement this road closing.
