4-H Fairgrounds:  
Road improvements

The Board discussed with Engineer Sanderson and Property Supervisor Skeet the improvements which should be made relative to roads and the black top area at the 4-H Fairgrounds. After due discussion it was moved by Mr. Ice and seconded by Mr. Cragan that Engineer Sanderson proceed to reroad with calcium treatment present rock roads at the Fairgrounds and add necessary base to that area presently black topped and that our plan would be to reseal the black top area as weather permitted. Motion carried unanimously.

Broken Arrow  
Park: Road  
improvements  
& glass treated  
guard rail posts

The Board then discussed the road situation at Broken Arrow Park with Mr. Skeet and Mr. Sanderson. It was agreed to request Engineer Sanderson to treat the road at Broken Arrow Park in the same manner as at the Fairgrounds and further in order to properly delineate the roadway and to keep traffic on the roadway rather than on the park area, that treated guard rail posts should be placed as necessary to accomplish this purpose.
