*Agreement
with City
of Lawrence
regarding
Ambulance
Service*

Board noted receipt of a communication from Mr. Dennis Kallsen, Assistant Manager of the City of Lawrence, requesting that Douglas County participate equally with the City of Lawrence in financing 50% of the cost of acquiring an ambulance to be operated by Citizens Ambulance Service. The communication indicates that a grant is being requested which would supply 50% of the total cost. The request from Mr. Kallsen indicates that 50% of the total cost would amount to approximately \$3,500, which would make the county's share \$1,750. It is indicated that if a new ambulance can be provided in this manner, that this will satisfy the need for additional subsidy to the ambulance service for the immediate future. It was moved by Mr. Ice that inasmuch as it is evident that additional subsidy is required by Douglas County to maintain a present ambulance service, and inasmuch as indications are that participation in the funding of a new ambulance will satisfy the immediate subsidy requirements, that we participate to the extent of one-half of the local cost or approximately \$1,750 in this grant request. Motion was seconded by Mr. Cragan and carried unanimously.
