

Term, 19

day of

19

THE WORLD CO., LAWRENCE, KANSAS 66578-2-07

No further business, the Board adjourned to meet on Wednesday, August 30, 1972.

ATTEST:

D. E. Mathia
D. E. Mathia County Clerk

Arthur A. Heck
Arthur A. Heck Chairman

August 30, 1972

The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board present.

Comm. Order
No. 16

The Board approved Commissioners Cancellation Order No. 16 to the Sheriff, Treasurer, and Clerk of District Court.

Welfare work
program
discussion

The Board discussed with John Derrick, Welfare Director; Al Skeet, Property Supervisor; and Bob Steele, Caretaker of Lone Star Lake, various aspects of the welfare work program. It was indicated by all who participated in the discussion that the program was being well implemented. Mr. Derrick reported that there are indications that the number of welfare clients who would be participating in the program seem to be definitely declining. Mr. Skeet and Mr. Steele offered their complete cooperation in continuing the work program.

Employ;
Fred Joyce

Engineer Sanderson requested approval of the employment of Fred R. Joyce as common laborer on a temporary basis at a salary of \$385 per month effective August 29, 1972. It was moved by Mr. Cragan that this request be approved, seconded by Mr. Ice and carried unanimously.

Rent check

The Board noted receipt of a voucher for the payment of September rent of the property at 1145 Rhode Island.

Janet Katzfey
Nunn placed
on permanent
status

Janice Beem, Register of Deeds, appeared before the Board to request that Janet Katzfey Nunn, who has been employed in her office on a temporary basis, be placed on a permanent basis. It was moved by Mr. Cragan that this request be granted, seconded by Mr. Ice and carried unanimously.

Purchase:
Two multiplying
machines for
Assessor's
Office

Assessor Darwin Rogers appeared before the Board with a proposal from M & M Office Supply to furnish two No. 72-85-54 Victor multiplying machines at \$249 each. Mr. Rogers explained that this price was a discount from the price he paid for identical machines two years ago and that further he much preferred this machine to any other available because the machines would be compatible to other machines in his office. Following due discussion it was moved by Mr. Cragan that the M & M Office Supply proposal be accepted, seconded by Mr. Ice and carried unanimously.

G.C.M.P. audit
indicated no
discrepancies

The Board noted receipt of a notice from the Governor's Committee on Manpower Planning that a recent survey audit of the program in Douglas County indicated no discrepancies in the program.

G.C.C.A. forms
received

The Board received from the Governor's Committee on Criminal Administration forms relating to Grant Acceptance Certification. The certification forms relate to the approved request for funds from G.C.C.A. for renovating and equipping of second district court facility.

Clinton Lake
Circumference
Road
discussion
with Corps
of Engrs.

Messrs. Tom Craig, Joe Roberts, and Robert Henry appeared before the Board along with Engineer Sanderson to discuss with the Board specifications and type of roadbed which the Corps of Engineers would adhere to relative to the construction of what is to be known as the Clinton Lake Circumference Road. Engineer representatives informed the Board that this circumference road would be constructed by the Corps of Engineers to standards compatible with recent construction of such type roads in Douglas County. It was indicated to the engineer representatives by both Engineer Sanderson and the Board that it would be our request that the circumference road be constructed to the standards of County Road 438 (Middle Road) and a certain portion of County Road 464 recently constructed. The Corps of Engineers representatives indicated that with proper substantiation of the standards and specifications of these two roads that the circumference road could in all probability be constructed to such specifications.

Aerial
photographs
for
Assessor

Assessor Rogers and Mr. Thurman D. Miller, representing the Property Valuation Department, appeared before the Board to discuss the matter of procuring aerial photographs which will be necessary for use in the assessor's office relative to future county real estate valuation. Assessor Rogers indicated that it has been determined that there will be 1972 aerial survey maps available in a not too distant future. With this information it was agreed by all concerned, that we should delay the purchase of such maps until the new maps are available.

No further business, the Board adjourned to meet on Thursday, August 31, 1972.
