The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board present.

Approved the minutes of the meeting of March 21, 1974.

*Comm. Order
1224*

The Board approved Commissioners Cancellation Order No. 1224. Order is on file in the office of the County Clerk.

*Budget
meeting*

Darlene Hill, Budget Director, appeared before the Board to discuss budgetary matters relative to the two months of 1974 operation. Following due discussion it was moved by Mr. Heck that the Board inform each officer and department head of their budget status after two months operation at a meeting next Monday afternoon, April 1, seconded by Mr. Stoneback, and carried unanimously.

*Civil Def.
Sheriff to
sound sirens
for testing.*

*Civil Def. Div.
to sound
sirens in
case of
tornado
warning*

Sheriff Rex Johnson appeared before the Board to discuss the sounding of the storm warning sirens. After due discussion it was moved by Mr. Heck that the Sheriff's Department will be responsible for sounding storm warning sirens for test purposes on the first Monday of each month at 12:00 noon, weather permitting. Should weather conditions be questionable for testing, the Sheriff's Department will counsel with the County Commission prior to final decision. The Civil Defense Director will be first responsible for sounding storm warning sirens in case of tornado warning. Should the Civil Defense Director not be available for any reason, then that responsibility shall become that of the Sheriff's Department. Amplifying the minutes of July 23, 1973, the term authentic sources shall be interpreted to mean weather wire and/or verified citizen observation. Motion was seconded by Mr. Stoneback and carried unanimously.

*Pub. Works:
Requested
design loading
be increased
to H-20 for
relocated bridges*

The Board noted receipt of a letter from Colonel Needham, Corps of Engineers, relative to a request from Public Works Director Dean Sanderson requesting design loading be increased to H-20 to conform with the new State law for relocated bridges on Federal-Aid Secondary routes. According to Colonel Needham after review of this situation he deems it to be in the public interest to design the relocated bridges on Federal-Aid Secondary routes in conformance with the currently existing law.

No further business, the Board adjourned to meet on Wednesday, March 27, 1974.
