Counselor Young noted to the Board the following:

- (1) The opinion of the Attorney General comes more than one year following the enactment of the legislation
- (2) No judicial determination of the statute has been made
- (3) The budget for 1975 has been prepared pursuant to the legislative which dictates that the welfare surplus be placed in the general fund
- (4) The County should follow the legislative direction until a controlling judicial decision is obtained

In view of the foregoing the Board agreed that no action was necessary at this time.
