Courthouse app.  
addition money  
to change site of  
power pole

Jim Williams of the architectural firm of Peters, Williams & Kubota presented to the Board for its approval Change Order No. 1 on the contract with Norris Brothers for site utilities on the remodeling of the Douglas County Courthouse project. This change order is for an added amount of \$368 for work required to change the location of the power pole on the north side of 11th Street based upon our notice of award which was dated 17 March 1977 and which indicated this additional change was to be for time and material not to exceed \$400. This additional amount of \$368 will bring the total contract sum to \$11,718. After review of this change order it was moved by Mr. Neis that this change order be approved, seconded by Mrs. Bradley, and carried unanimously.

Courthouse app.  
Pay Norris Bros.  
Application #2

Mr. Williams presented an Application and Certificate for Payment on the Douglas County Courthouse remodeling project for the contract with Norris Brothers, Inc. on site utilities charges. This is application No. 2 and includes the period thru 31 March 1977. This application indicates the inclusion of Change Order No. 1 just previously passed upon which brings the total contract sum to \$11,718. This application indicates that the total completed to date is \$11,718, that no retainage is recommended, and that previous certificates for payment were for \$7,932 which leaves a current payment due on this project in the amount of \$3,786 which will be the final payment on this contract. After review of this application it was moved by Mr. Neis that this payment of \$3,786 be approved and be paid from revenue sharing funds seconded by Mrs. Bradley, and carried unanimously.

Pub. Works:  
Bids opened on  
Proj. #77-1

At the advertised hour of 10:00 a.m. Engineer Sanderson and Bob Thorn, representing the consulting firm of Finney & Turnipseed, appeared before the Board to open bids for Douglas County Consolidated Project No. 77-1 for bridge and grading contract. Ten bids were received for the bridge items and four bids were received on the grading items for this consolidated project. After all the bids were opened and read it was moved by Mr. Neis that the Board take these bids under advisement and request the engineering department and consulting firm to review the bids and make a recommendation to the Board at a later time. This motion was seconded by Mrs. Bradley and carried unanimously.

No further business, the Board adjourned to meet on Thursday, April 14, 1977.
