Change Order #2
Salaries for
Consulting
Engineers

Mr. Sanderson then presented to the Board Supplemental Agreement Change Order No. 2 to an agreement between the Board of Commissioners of Douglas County and Finney & Turnipseed, consulting engineers, which was originally drawn on 27 November 1974. This change order revises the hourly salary rates charged under this contract by the following action:

Article IV, the parties hereto mutually agree:

Section 9 - Delete entire Section of Supplemental Agreement, Change Order No. 1, and add "It is mutually agreed that salary costs used under Article III, Sections 12 and 13, and under Article IV, Section 8 shall commence with work in progress and new projects as of the 1st day of August 1977, with such hourly rates being subject to re-negotiation on the 1st day of August 1978, and at the end of each twelve month period thereafter:

Managing Partner	\$18.40
Partner	\$15.75
Engineer A	\$11.00
Engineer B	\$10.00
Engineer C	\$ 8.15
Technician A	\$ 6.30
Technician B	\$ 5.50
Draftsman A	\$ 4.45
Draftsman B	\$ 4.00
Summer engineering students	\$ 3.70 to 6.30"

It is Mr. Sanderson's recommendation that this change order be adopted. After review it was moved by Mr. Neis that this recommendation be approved, seconded by Mr. Whitenight, and carried.

Comm. Des. app.
Publish to sell &
move house & garage
at Fairgrounds

Ernest Coleman, federal funds consultant, appeared before the Board to recommend publication of a notice to bidders that sealed bids will be received for the materials, equipment, and labor to buy and move a two story frame house and garage/shop building located at 1902 Harper in the City of Lawrence, Kansas. Mr. Coleman recommends that this notice be published in the paper of record for Douglas County on 26 August and 2 September, and that the sealed bids will be received at the office of the Board of Commissioners of Douglas County at the basement of the Douglas County Judicial & Law Enforcement Center until 10:00 a.m., Wednesday, 7 September 1977 and at that time publicly opened. After review of this proposed notice it was moved by Mr. Neis that it be approved, seconded by Mr. Whitenight, and carried.

No further business, the Board adjourned to meet on Monday, August 29, 1977.

ATTEST:

D. E. Mathia

D. E. Mathia

County Clerk

Peter A. Whitenight

Peter A. Whitenight

Chairman

August 29, 1977

The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board present.

Approved the minutes of the meeting of August 25, 1977.

Comm. Order:
#1680

The Board approved Commissioners Cancellation Order No. 1680. Order is on file in the office of the County Clerk.

Bridge Co.: app.
R/W Proj. 23-05-452(1)
Delbert Neis

Tom McGee, engineering division supervisor, appeared before the Board to present a contract for right-of-way easement on Project No. 23-05-452(1) between Delbert D. Neis and Myrnice Neis, husband and wife, and the Board of County Commissioners of Douglas County for a lump sum of \$1200. This figure is based on approximately 0.40 acres of right-of-way, 0.06 acres of temporary easement for construction, 34 rods of barb fence, 9 rods woven fence and 9 rods of temporary fencing. The lump sum payment includes allowance for additional corner posts required by irregular boundary (right-of-way line), abstracting costs when property is sold and the permanent irregular boundary line on the remaining tract. After review of this contract it was moved by Mrs. Bradley that this contract be approved, seconded by Mr. Whitenight, and carried. Mr. Neis abstained.

Terminate:
John M. Spurgeon
Terry A. Wooten

Dean Sanderson, public works director, notified the Board that John M. Spurgeon terminated August 26, 1977.

Mr. Sanderson also reported to the Board that Terry A. Wooten employed in the position of common laborer to begin work on August 29 at a starting salary of \$516 per month did not report for work so should be removed from the county payroll.

Bridge Co.: app.
Geology report
for 8 bridges

Mr. Sanderson then recommended to the Board the acceptance of a proposal from Barnett, Stuart and Dow, Inc., geologists, to provide geological investigations and reports for eight bridges in Douglas County, Kansas, as follows:

1. Bridge No. 03.80N-12.05E over West Taury Creek. Four holes 35 feet deep, \$1180.
2. Bridge No. 07.50N-08.95E over Chicken Creek. Three holes 30 feet deep, \$775.
