Res. #177-34: app.
Request waiver of
contract requirements
for Mrs. Mary
Mowrer

The Board reviewed, in company with Ernest Coleman, community development fund administrator, Douglas County Resolution No. 77-34 which resolution has been requested by the Office of Housing and Urban Development with reference to an application for rehabilitation funds by Ms. Mary Mowrer who was a member of the Grant Approval Committee. This resolution indicates that this Board request a waiver of contract requirements for this individual and Douglas County agrees to use these CDAF funds for the express purpose of certain safety and weatherizing rehabilitation on this house and that the County, upon approval of this waiver, will proceed immediately to contract for the rehabilitation work on this fixed, low income household. This waiver request is necessary due to a possible conflict which exists based on Ms. Mowrer's connection with the Block Grant Approval Committee. By this resolution this Board finds that this possible conflict is not material and herein requests that any possible conflict be waived by HUD. After complete review of the resolution it was moved by Mr. Neis that it be approved, seconded by Mrs. Bradley, and carried unanimously.

Comm. Dev.:
Agreement with City to renovate
old Police Bldg. for
Council on Aging &
other services

The Board considered an agreement drawn between the Board of Commissioners of Douglas County and the City of Lawrence, Kansas, which agreement acknowledges that the City of Lawrence is engaged in a renovation project on the old Police/Fire Veterans Building, 745 Vermont, for the purpose of using this building for activities of the local Council on Aging and other services related to, but not limited to senior citizens. The City Commission has allocated \$200,000 in Community Development Funds for this purpose and the Board of Commissioners of Douglas County has a balance of funds available in its Community Development Program which was originally designated for senior center activities, so therefore within this agreement the Board of Commissioners of Douglas County agrees to provide the remaining balance of the Douglas County CDAF funds after all bills are paid or not less than \$9,000 in any event to the City of Lawrence Community Development Department for the purpose of assisting in renovation of this building. After complete discussion of this agreement it was moved by Mrs. Bradley that it be approved and forwarded to the City Commission for their consideration and anticipated approval, seconded by Mr. Neis, and carried unanimously.

ordinator for
Council

The Board received from Sam Adame, Chairman of the Douglas County Drug Abuse Council, a correspondence which indicates a recommendation that we confirm as a Board the appointment by the drug abuse council of Mr. LeRoy McDermott as the coordinator of that council.
