Status of Firing
Range

The Board met with the following individuals to discuss the status of the firing range in the Douglas County Judicial and Law Enforcement Center: John Irwin, Department of Health & Environment; Jim Williams, architect; Sheriff Rex Johnson; Undersheriff Dallas Murphy; Police Chief Richard Stanwix; Lieutenant Vernon Harrell; and Richard Hack, Lawrence-Douglas County Health Department. After discussion it was agreed that a survey would be taken of other communities which have been working on solving a similar problem to determine if any guidance could be acquired from their experience. In addition, it was agreed by Mr. Irwin that the Department of Health and Environment would come in, at our request, to run a complete series of tests on any changes which we might make to rectify the situation to see if the standards of that department could be met once those changes have been made.

No further business, the Board adjourned to meet on Wednesday, August 23, 1978.
