Disc. O/T

The Board met with County Counselor Dan Young and Douglas County Ambulance Manager Ted McFarlane to discuss the determinations by the State Human Resources Department and the Office of the Attorney General of the State of Kansas with relationship to the question of minimum wage and maximum hours law as it relates to emergency medical service personnel in Douglas County. After a lengthy discussion on this matter it was moved by Mrs. Bradley that the Board instruct County Counselor Dan Young to file an action for a declaratory judgment to determine whether or not the employees of the Douglas County Ambulance Service are, in fact, exempt or non-exempt from the terms of K.S.A. 1977 Supp. 44-1204. Motion seconded by Mr. Neis and carried unanimously.

property along
Stull Road

Counselor Young requested of the Board authority to proceed on three condemnation cases for the purchase of highway right-of-way on the Stull Road (Road No. 442) in the area of Kanwaka corner, west 1½ miles, which is required for proposed road improvement in this area. It is pointed out by Counselor Young that all reasonable efforts have been made to acquire this property through the normal channels and to no avail, and therefore, he requests authority to proceed with the condemnation necessary. Personnel: Sal. Inc.
Fran Sierra 2 yr.

The Board considered an increase for merit upon the two-year anniversary of the employment of Francisca Sierra, switchboard operator for Douglas County. Her current salary is \$631 per month and after discussion it was moved by Mrs. Bradley that her salary be increased approximately 6%, to the new rate of \$670 per month, effective with the pay period beginning October 28, 1978, seconded by Mr. Neis, and carried unanimously.

Sal. Adj.
Glenna Fraser
Wanda Kring

The Board reviewed a correspondence from Administrative Judge James W. Paddock of the Seventh Judicial District of Kansas. This letter recommends an additional increase upon the two-year anniversary of their employment for Glenna Fraser and Wanda Kring. These additional raises to be effective with the pay period beginning October 14, 1978. It is indicated that the original request for raises was mistakenly requested too low and that the duties of these women warrants each of them an additional raise. Therefore, it is requested that Ms. Fraser be raised to the rate of \$700 per month and Ms. Kring raised to the rate of \$703 per month. After discussion it was moved by Mrs. Bradley that these proposed additional raises be approved, effective with the pay period beginning October 14, 1978, seconded by Mr. Neis, and carried unanimously.

Sal. Inc.
Darlene Hill 2 yr.

The Board reviewed the salary of County Budget Director Darlene Hill, who has served Douglas County for twenty-five years. After brief discussion it was moved by Mrs. Bradley that as a token of appreciation for Ms. Hill's long and dedicated service to Douglas County, that we increase her salary from \$1256 to the rate of \$1330 per month, effective with the pay period beginning October 14, 1978, seconded by Mr. Neis, and carried unanimously.

Sal. Inc.
Bob Steele 4 yr.

Further, the Board reviewed the salary of Parks Supervisor Bob Steele upon the eleventh anniversary of his employment with Douglas County. After review of Mr. Steele's service to Douglas County it was moved by Mrs. Bradley that his salary be increased approximately 8%, from \$787 per month to the rate of \$850 per month, effective with the pay period beginning October 14, 1978, seconded by Mr. Neis, and carried unanimously.
