After discussion it was moved by Mr. Neis that the Board concur in the recommendation of the planning commission and planning staff, subject to the above described conditions, seconded by Mr. Cragan, and carried unanimously.

Purch 2 dump
trucks*

Mike Dooley, public works director, appeared before the Board to discuss the bids which were received on March 19, 1980. Mr. Dooley recommended that the Board accept the bid of Landmark Ford, Inc., Lawrence, Kansas, in the amount of \$50,787.46 for the purchase of two heavy duty dump trucks with two trade-ins. The other two bids were rejected because of the lack of a local service facility by one bidder and the variation from equipment specifications on the unit supplied by the other bidder. After discussion it was moved by Mr. Neis that the Board accept the recommendation of Mr. Dooley and approve the bid of Landmark Ford, Inc., in the amount of \$50,787.46, seconded by Mrs. Bradley, and carried.

Purch pickup

Mr. Dooley then discussed with the Board the bids which were received on March 19, 1980, for the purchase of a 3/4 heavy duty or one ton pickup truck. Mr. Dooley recommended that the Board reject all three of the bids for the purchase of this item. This recommendation was based on the fact that there have been equipment changes and modifications in the department which no longer necessitates acquisition of a heavy duty truck. After discussion it was moved by Mr. Neis that the recommendation of Mr. Dooley be accepted, seconded by Mrs. Bradley, and carried.
