The Board considered a Site Plan Review, SP-11-50-80, which is a site plan for Clinton Parkway Nursery located on the northwest corner of Dragstrip Road and Clinton Parkway, submitted by Hank and Ted North. This site plan was presented to the Board by the Lawrence-Douglas County Planning staff recommending approval, subject to the following condition:

It should be noted that the Board has received a letter dated November 6, 1980, from Clinton Parkway Nursery, signed by A. H. North, agreeing to the above-described condition.

Text amend.
Art. 9A, Art. 3

At the hour of 10:00 a.m., the Board discussed a planning item with Linda Finger, staff member of the planning department. Also in attendance was Wayne Kellum, zoning administrator. The Board considered Item No. 16 from the Lawrence-Douglas County Planning Commission minutes of October 22, 1980. This item is a Text Amendment--Amending Article 9A, Section 9A-2 and Article 3, Section 3-1.01b of the Zoning Regulations for the Unincorporated Portion of Douglas County, Kansas, by adding residential use as an accessory use to B-3 zoning districts and redefining what an accessory use is. This item comes to the Board with a recommendation for approval from the planning staff and the planning commission. The proposed text amendment further defines accessory buildings and uses in Section 9A-2 as follows:
