Motion seconded by Mrs. Bradley and carried unanimously.

It was moved by Mrs. Bradley that the low bid on renovation submitted by Philip J. Entz, 3204 West 24th Terrace, Lawrence, Kansas, in the partial amount of \$10,000 be approved and the balance of \$3674 is to be submitted as a special construction request to the appropriate office in Washington, D.C. for their approval. Upon written approval, the balance of \$3674 will be added to this contract. This amount covers the supplying and installation of bathroom fixtures, 80-gallon hot water heater, new kitchen cabinets, exterior fencing, certain new wiring, light fixtures and heat detection system. It is understood that construction funds require 50% local match and this is to be covered by the supplying and installation of a quality fire escape (value of approximately \$4000) by local efforts without county funds involved. Motion seconded by Mr. Cragan and carried unanimously.
