turally sound enough to refurbish. This information is necessary before the county can proceed with plans for improving the ambulance service and providing additional garage and office space. The Board will meet with representatives from Lawrence Memorial Hospital next week and that meeting will focus on the possibility of building garage space and housing one or two ambulances and crews at the hospital's emergency room. Knowing whether the current station can be renovated is necessary so the Board will know what facilities they would like at the hospital.

No further business, the Board adjourned to meet on Monday, May 4, 1981.
