Res. 81-28:
Set new speed
zones for County

Mike Dooley, public works director, appeared before the Board with Resolution No. 81-28. By this resolution the Board resolves that any and all speed zone resolutions established prior to January 1, 1981 are hereby rescinded and based on the recommendation of an engineering and traffic investigation, a maximum speed limit of 55 miles per hour be and the same is hereby determined and declared to be a reasonable and safe maximum speed limit for all hard surface roads within the Douglas County highway system except those portions of roadways designated in Resolutions Numbers 81-29 through 81-53 which are being passed concurrent with this resolution. This maximum speed limit does not apply to paved township roads within Douglas County. This speed limit shall become effective when appropriate signs are erected upon the highway system. Following an engineering study and recommendation, subsequent resolutions shall establish reduced or altered speed limits at specific locations. After discussion it was moved by Mrs. Bradley that Resolution No. 81-28 be approved, seconded by Mr. Cragan, and carried unanimously.
