Plan Dept.
Site Plan
Vet. Clinic

The Board discussed a Site Plan Review (SP-5-16-84) with David Guntert, Lawrence-Douglas County Planning Department staff member. Wayne Kellum, zoning administrator, was also present. This site plan is for a veterinary clinic to be located on the southwest corner of the intersection of U. S. Highway 56 and Douglas County Route #11, submitted by Jamison Building Supply Co., Inc. for Dr. J. C. Breithaupt. The planning staff recommended approval of this site plan subject to the following conditions:

- (1) No vehicular access be permitted onto U. S. Highway 56;
- (2) The trash area be screened with a 6' high fence;
- (3) A note be added to the plan describing the number of parking spaces required and the number to be provided;
- (4) Location of the sign be shown on the plan and meet the requirements of the A (Agricultural) District; and,
- (5) The recommended improvements to the driveway geometrics suggested by KDOT be added to the plan and constructed.

After discussion it was moved by Mr. Neis that the Board concur in the recommendations of the Planning Department subject to the 5 conditions as described above, seconded by Mrs. Hiebert, and carried unanimously.

Site Plan
Heritage Baptist
Church

The Board then discussed Site Plan Review (SP-4-14-84) for Heritage Baptist Church to be located on the northeast corner of Folks Road and U. S. Highway 40, submitted by Jon R. Hawkins. The planning staff recommended approval of this site plan subject to the following conditions:

- (1) No development commence on the site until approval of the wastewater system is obtained from the Health Department;
- (2) No vehicular access be permitted to Highway 40;
- (3) Additional landscaping materials (6 Russian Olives, 20' spacing) be planted around the southwest corner and west side of the parking lot for screening purposes;
- (4) The location of the sign be shown on the plan and meet the requirements of the A (Agriculture) District; and,
- (5) The driveway entrance be widened to a minimum of 24' with 20' radius returns to improve vehicular ingress and egress.

After discussion it was moved by Mr. Neis that the Board concur in the recommendation of the Planning Commission subject to conditions (1), (2), (4) and (5) as described above, but with condition (3) being revised to the following:

- (3) Additional landscaping materials be planted around the southwest corner and west side of the parking lot for screening purposes, such as 6 Russian Olives, 20' spacing;

Motion seconded by Mrs. Hiebert, and carried unanimously.
