

Dickson as surveyor to view said ~~the~~ road, or change and establish the same according to law on the 15th of October, 1860

The report of jurors appointed to view a certain proposed road in Marion Township was presented as follows

To the Honorable Board of County Commissioners of Douglas Co. K.T.

We the undersigned duly appointed viewers of a certain proposed line of road commencing at the S.E. corner of Section (12) twelve township (15) fifteen range (18) eighteen and running thence west to the west line of Douglas Co would hereby report as follows that after being duly sworn we did on the 17th day of July view said line of road and in our judgment a road is required upon said line and we would advise the location of said road as follows That portion between sections (12) twelve & (13) thirteen to be located as per field notes and to be sixty six feet in width and the remaining portion to be located upon the line and to be fifty feet in width

Dated at Marion this 31st day of July 1860

L. H. Heason

Geo Jackson

John Clark

with the plat and field notes of B. J. Baker Surveyor as a part of said report

It was ordered that said report be accepted and adopted

The report of Commissioners appointed to view a road as petitioned for by Wm. Meairs & others

To the County Commissioners of Douglas County Kansas Territory The undersigned having proceeded as per your order to view the line commencing at a point on the township line between ranges nineteen and twenty at the corners of sections 24 & 25 township 13 range 19 and running west on said section line to a point on the north side of the N.E. quarter of section 28 township 13 range 19 where a township road intersects said north line and also a road heretofore laid out but not worked running east and west through the centre of aforesaid section 24 beg leave to report That in our opinion the public have require a road on the said line commencing at the first point mentioned & running west to a point on the north line of section 27 forty rods east of the N.W. corner of said section & no farther at present & we have accordingly located & staked out a road 60 feet wide
