Attest

Paul R. Brooks
County Clerk

Lawrence Kansas February 1 1869

The Board of Commissioners of Douglas County met pursuant to adjournment. There were present Commissioners Cutter Griffith and Platts and the County Clerk.

In the matter of the appeal of Wm M. Baldwin and other residents of School District No. 41 the Commissioners having conferred with the County Superintendent and heard the respective parties on motion the appeal was dismissed on the ground that too long a time had elapsed for an intelligent hearing.

In the matter of the appeal of School Dist. No. 41 from the decision of the County Superintendent in regard to the apportionment of funds after conferring with the County Superintendent it was on motion ordered that the whole matter be referred back to the County Superintendent with a request that he make a report of the matter in writing.
