thus leaving unaccounted for in the matter
of transfers and redemptions from January

In addition to the above we find from the
Treasurers Sales records undated transfers amount-
ing to

as to Treasurers and which are not accounted
for in any of the reports heretofore referred to.

We therefore find and report a total deficiency
in Transfers and Redemptions as follows—

From 1859 to January 11 1864

5724 48

From January 11, 1864 to July 12, 1868

Unlocated as to time and Treasurer

On this deficiency which is all Principal
we are unable to locate any interest
whatever, but we believe that a fair estimate
for interest based on returns of the Treasurer
for the same period would be one half thus
making actual deficiency, Principal

Estimated interest at one half

6,748 52

Total

20,245 57

Of course we refer to the 25% and 50% interest on tax sales,
the question of legal interest on \$485.89 from January 11th
1864; on 5461.20 from July 12, 1868, and on 838.60 from
 rendition of Judgment versus County & Wit. January 2, 1873
we leave to your honorable Board.
