

meeting which was this day publicly read and being in favor of the location of the road and there being no objections and the Commissioners having duly considered the same and believing that the road would be of public convenience and an accommodation to the traveling public. Do hereby accept the report of the viewers and Order the road established as prayed for and order that said road be laid at the width of Sixty feet (60) And the County Clerk is hereby instructed to issue the legal Order for the opening of said road to the proper officer.

In the matter of the Petition
of E. Zimmerman and others
for the extension of a certain road

Beginning near the South west corner of Section eighteen (18) Township Twelve (12) Range twenty (20) running South east along the Kansas river sufficient for a good and safe road.

The Commissioners having the foregoing under consideration granted the prayer of the petitioners and appointed J. N. Barley, E. Zimmerman and Geo. H. Leady to measure and appraise the land taken and report to the next regular meeting of the Board.
