

for the following reasons that it presents many natural obstructions which will involve a great outlay of labor and expense to overcome and is unnecessarily long and circuitous. We have also determined that the road should be 40 feet in width.

We also have to report that we oblige your order to new the line sought to be recreated and would respectfully report that said road ought to be created for the following reasons that it is more practicable and is much shorter than the present route.

Signed by the Viewers

The Commissioners having said reports under consideration and there being no one objecting to the granting of the prayer of the Petitioners and there being no damages claimed or awarded and the Board being satisfied that the law has in all respects been complied with do hereby adopt the Reports of the Viewers and Order the Vacation prayer and the Re-location petitioners and the Co Clerk is hereby instructed on application of the proper officers to issue the necessary Orders for the Vacation and relocation.
