Bridges
Rockford
Washington
accepted

The Board reported, that in company with Allan and Walter, County Surveyors and J. E. Matten Special Commissioner a visit was made to the Bridge across Rock Creek at Anderson Crossing and also to the Bridge across Washington Creek. East of Clinton. a careful examination was made of each Bridge ~~to determine the extent of the work required~~ and found to be necessary to the plans and specifications ~~and upon which the Board had previously~~ and now ordered the acceptance of both bridges, and that the County Clerk & Chairman of the board issue scrip, in favor of S. S. Skene & Hallock in payment of the same, in accordance with appropriation of April 19, 1886.

Board adjourned

Bridge
Captains
accepted

On Friday, June 25, the Board of County Coms. to wit Mr. Draper, Chairman, John Matten and J. E. McCoy and County Clerk J. S. White, by previous appointment, proceeded to the Bridge across Captains Run in Endora Twp. where in conjunction with the Board of County Coms. of Johnson County and Chas. Lashley, Bridge Commissioner by appointment of both Counties, examined and accepted said Bridge.

The County Clerk and Chairman of the Board was directed to issue scrip to the amount of \$1000.00 payable to S. S. Skene & Hallock, Prop. W. D. Vally, Bridge & Iron Works, in payment of Douglas County's share according to Contract and in compliance with appropriation of April 19, 1886.
