

Printing Tax lists!

Motion by Commr J.C. Moore that the printing of the delinquent tax list of 1889, be printed in the Lawrence Journal Tribune, Sec'd by Walton, who stated that he preferred that the rule governing the printing for the County be divided among the three papers printed in the City viz, Gazette, Journal Tribune and Record. Commr. Butler objects to motion for the reason that a demand had been made by Col. C.E. Leonard that the Republican paper of the City should have the County printing, therefore the aforesaid motion discriminates against the Daily and Weekly Record.

Vote being called.

Moore voted aye, Butler and Walton No.
