Resolution relative to }
Lake View drain 3

The following resolution was introduced and on motion adopted by the Board: Whereas Levee, Inc. and on the 16th day of January 1895. The Board of County Commissioners of Douglas County by Resolution made an appropriation of \$400⁰⁰ for the construction of a dam from a man-hole in the line of a drain running from Lake View in Douglas County to the stream known as Baldwin's creek, which resolution appears of Record in Book "4" at page 11, and whereas the Lake View Shooting and Fishing Assocⁿ has entered into a contract to the satisfaction of this Board which is now offered to the Board for execution, and whereas Eben Baldwin has offered a deed of easement along the line of said drain to the satisfaction of this Board, and whereas the Lawrence Pumping and Heating Co has offered a contract for the construction of said dam from said man-hole to said creek, with bond to the satisfaction of this Board for the faithful performance of said contract. Now therefore be it resolved, first that the resolution of Jan'y 16th 1895 be amended, that is to say it was the intention of this Board in said resolution that the County of Douglas is only to be liable for damages which may accrue on account of water flowing from said lake and not in any event to be liable for damages which may accrue on account of water running into said lake through said drain, and be it further resolved, that this Board do now enter into and execute the contract with said Lake View Shooting & Fishing association, one copy of which is to be kept by the Clerk of this Board for this County and one delivered to said association.

and further that this Board execute and approve the contract
