

Lawrence Kansas March 2^d 1896 contd

Bridge Proposals }
Contract

The Board again rejected the bids for the iron work and a motion was made and adopted to make an offer to either of Bridge for the sum of \$450.00 for the erection of the Mud Creek bridge and ^{\$130.00 for} the delivering in North Lawrence of iron work as specified in contract. The preference of this offer to be given the Geo E King Co they being the lowest bidder. And which offer the Geo E King Co accepted.

On Motion the Board awarded the contract to the Geo E King Bridge Co as per offer to be completed ready for use on the 2^d day of June 1896. see contract on file

Stone Arch }
Contract

On motion the contract was awarded to John Johnson for the building of the Stone Arch Culvert to be completed on the 16th day of May 1896. see contract on file

Resolution to the }
Survey of Fallwell Crossing

On motion the Board instructed the County Surveyor to survey Matamsa Creek between Secs 25 and 26 T13R17 known as Fallwells crossing for the purpose of estimating the cost of a bridge at that point.

The Board met for the purpose of conferring with the Township Trustees who met pursuant to law to agree upon a basis of assessment for the year 1896, see basis of assessment on file

On Motion the Board adjourned to meet March 3^d 1896

Attest

Harry Dick

County Clerk
