

Lawrence Kansas Nov 6th 1894

Resolution of K.C. Topeka
and Lawrence Railway

The following Resolution was on motion adopted to wit: Whereas, the City of Lawrence has granted a license to the Kansas City Lawrence and Topeka Railway Company, a Corporation organized under the laws of the State of Kansas authorizing said Railway Company upon certain terms and conditions in Ordinance of the City of Lawrence No 398 fully set out and stated and Whereas said Railway Company to reach the terminal points of the lines laid out in said license must travel along certain highways in the County of Douglas outside of the City of Lawrence now therefore Be it Resolved that Authority is hereby granted to the said Kansas City Lawrence and Topeka Railway Company to construct maintain and operate its railway along the County Road No 127 being the extension of Massachusetts St south from the City limits of the City of Lawrence to the Highway being County Road No 127 running east and west between Teds No 6 and No 7 in Twp 13 Range 20 in said County also commencing at the South End of New River Street where said street intersects Morris Street on the Township lines between No 12 and No 13 thence east on the highway, a continuation of Morris St to a point to be selected by said Railway Company on the South Side of Oak Hill Cemetery. This Grant is made on conditions that said Railway Company shall construct operate and maintain said railway as directed, specified in said City Ordinance, all of the conditions of which Ordinance and Franchise unless otherwise expressly provided for in this Resolution are referred to and made a part of this grant. The track of said Railway on said Road leading south from Mass St shall be laid six feet east of the Centre line of said highway and on said highway continuing east from Morris St shall be or as may be hereafter agreed upon by the Board of Commissioners and said Railway Co along the Centre line of said highway. The said Railway Company is to keep and maintain the tracks along said highways graded with the same materials that said Road is from time to time made of and shall at all crossings where the highway crosses its tracks keep and maintain the same in condition as required of Railway Companies by law. Said Company shall indicate by some distinct sign the places along said line where passengers may get on or off its cars, the convenience of the public to be consulted. The said Railway shall accept this Resolution within 5 days from the date.
