

In case the north entrance and steps are not built and construction of that part is revised, as shown on sheet no 32, deduct \$ 5'00⁰⁰.

In case the south-west corner pavillion is not built and construction of that part of the building is according to sheet no, 32 deduct \$ 16'00⁰⁰.

I will construct exterior faces of basement story to water-table course under main story windows of Jefferson, Douglas or other acceptable material laid in courses as directed, and will furnish all ashlar above the water-table above noted, of upper ledge cotton-wood stone, and will add to my bid above the sum of \$ _____.

I have included no "Bedford" or "Purchege" stone (except corner stone) in my proposal.

I enclose certified check for the sum of \$ 16'00⁰⁰ being two per cent of the amount of my bid for the construction of your new Court House, which sum is forfeited to Douglas County, if I fail for five days to enter into contract, and give legal surety bonds in case award is made to me in a reasonable time.

(Signed)

Rowles Bailey

Bid of Quibbert and Sargent.

Form same as above.

According to plans and specifications, total is \$62,664⁰⁰. Add or deduct excavation at the rate of 30 cts per cubic yard.

Add or deduct concrete foundations at the rate of 20 cts per cubic feet.

Add or deduct rubble masonry at the rate of 14 cts per cubic feet.

Add or deduct ashlar facings of Douglas County stone, broken ashlar 40 cts, basement range 48 cts per superficial foot.

Add one foot to exterior height to basement story, leaving floor of basement, where it now is,
