

upper ledge Cottonwood stone and will deduct from my bid above the sum of \$1021.⁰⁰

I have included no "Bedford" or "Carthage" stone (except corner stone) in my proposal.

I enclose certified check for \$1350.⁰⁰ being two percent of the amount of my bid for the construction of your new Court House, which sum is forfeited to Douglas County if I fail for five days to enter into contract and give legal bonds in case award made to me.

(Signed) Cuthbert, Sargent.

All cut stone trimmings figured in top ledge of Cottonwood stone.

Cuthbert, Sargent.

We agree to deliver floor lumber, according to conditions above noted and interlined (cannot get quotations) and leave the same stacked and housed as set for on or before August 1st 1903 and to handle the same as noted in the paragraph referring to finish floors.

Cuthbert, Sargent.

It is understood that the face of the basement story to the bottom of the main story window sill course including steps and buttresses will be in proper courses and cut of Jefferson or Douglas County stone excepting windows, arches and main entrance columns, which will be of upper ledge Cottonwood stone.

Cuthbert, Sargent.

But as considered — \$62664.⁰⁰
 Deduct Cottonwood stone — $\frac{1021.⁰⁰}{61,643.⁰⁰}$

Add for raising basement walls eight inches and for continuous basement window sill course.
 \$538.⁰⁰ Amount of Contract. \$62181.⁰⁰
