 American Bridge Co. offers to construct
 according to plan on file, old material not
 to be used. \$2500.00

On motion of Mr. Watts the contract for
 stone embankment was awarded to Mo Valley
 Bridge and Iron Works, to be made according
 to Plan A, which is now on file in the office
 of the County Clerk.

The following is a copy of the contract.

Contract:

This contract entered into this 27th day of
 August A.D. 1903 by and between the Board of
 County Commissioners of Douglas County, Kansas
 of the one part and A. J. Bullock Prop. the Missouri
 Valley Bridge and Iron Works of the second
 part.

Witnesseth: In consideration of the payment to
 the party of the second part of the sum of
 Thirty six thousand five hundred dollars
 (\$36,500.00) the said party hereby agrees to furnish
 all the material and labor necessary and to
 construct the stone embankment approach at
 the north end of the county bridge across the
 Kansas river at Lawrence, Kansas, in
 accordance with the plans and specifications
 hereto attached and made a part of this contract.
 The payment for said work to be made by the
 County Commissioners, monthly, based on the
 estimate of the County Engineer at one dollar ¹¹/₁₀₀
 per cubic yard for the work completed at that
 time. In case the Commissioners shall reduce
 the width of the roadway, the amount to be
 deducted for each foot in width shall be
 Four hundred dollars (\$400.00). Within five days
 from this date party of the second part shall
 file with the County Clerk of Douglas County, Kansas
 a bond signed by two sufficient sureties for the
 amount of thirty six thousand five hundred
 dollars (\$36,500.00), payable to Douglas County, Kansas
 to secure the payment for material and labor
 and the party of the second part in compliance
