Cancellation of Taxes

The application of L. N. & A. Lewis for Cancellation of a part of
 Certain Assessments made on personal property omitted from the
 Tax Rolls for the years 1898 to 1901 inclusive, came on for hearing
 whereupon it is found that A. Lewis and L. N. Lewis were and are entitled
 to Credit for partial payments made on their mortgages so assessed to
 an amount approximately 50% of the amount shown by the records,
 and which was the basis of the valuation for assessment on property
 omitted from taxation, that being about the percent of amount shown
 upon checking over the Mortgages in force in 1902 & 1903, it is
 there for ordered that 50% of Taxes and the and the interest and penalties
 there on, on the property of L. N. & A. Lewis assessed on ~~Canceled~~
 property for the years 1898 to 1901 inclusive be Canceled upon
 the payment of the balance of said tax penalties and interest to
