On motion the Board appropriated the sum of \$4800.00 to be made payable to Mo. Valley Bridge Co. as per contract on file, for Eudora Bridge. Same to be drawn on Eudora Bridge fund, and the clerk is ordered to draw warrant for same.

Resolution }

The Board having under consideration the change in the channel of the Kans. river at Eudora at the point where bridge is being built, making it necessary to put in a 150 ft. span instead of a 52 ft. span and some pile approach in addition to contract let heretofore. Therefore have let the contract to Mo. Valley Bridge & Iron Works Co. for the sum of \$1500.00, being one-half the cost of said span.

Said amount to be paid when the work is completed and accepted by the Board.
