

Nov. 10,
1905,
Bills

The Board of County Commissioners met in adjourned regular session. Geo. H. Brune, J. C. Walton, A. C. Walter and County Clerk present. Bills were allowed.

Brune
to Ottawa.

Brune reported that his trip to Ottawa saved money to the county because bids were rejected for the bridge, they being too high.

Gas
Proposition.

The following proposition was made to the Board:—To the Douglas County Commissioners:—In consideration of your honorable body granting permission to the Citizens Light, Heat & Power Co. of Lawrence, Kansas, to lay a three inch gas line across the Kansas River on the bridge to North Lawrence, the Citizens Light, Heat & Power Co. hereby agrees to furnish natural gas for the purpose of heating & lighting the court-house and County jail of said Douglas County at the rate of fifteen cents (15¢) per thousand cubic feet. Respectfully submitted,

Citizens Light, Heat & Power Co.
