Oakley
Bridge The Leecompton Township Board met with the county Board to consult in reference to the new bridge being asked for across Oakley Creek in Leecompton township on the Middle road between Leecompton & Lawrence. The County Commissioners agreed to construct a bridge at said place, if Leecompton Twp. Board would haul the bridge and such material needed from Lawrence, and also, if said township Board would duplicate the cost of the bridge in work on said middle road in Leecompton township. The Township Board agreed to the proposition from the County Board, and the bridge is to be constructed within the next few months.

The Board adjourned.
