At the Office of the Board of County Commissioners
of Douglas County, Kansas, at Lawrence, Kansas, March 11, 1914.
The Board of County Commissioners in considering the applications
of applicants for the position of County Physician of Douglas
County, Kansas, find that A.B. Sellards has made application
for the position and among other things claims the right to
the appointment under what is commonly termed the
"Old Reference Law."

Whereupon we did and have carefully investigated the application
and qualifications of Dr. A.B. Sellards and after being fully
advised as to his qualifications find, that the said Dr.
A.B. Sellards is, at this time, by reason of his age and
physical disability incompetent to perform the duties of the
position of County Physician.

We further find that Dr. E.R. Keith, who is an applicant
for the position of County Physician of Douglas County, Kansas,
is, on account of being younger in years, more vigorous
in mind and body, competent and well qualified to perform
the duties of the office of County Physician.

Whereupon E.R. Keith is elected County Physician of Douglas
County, Kansas, for the ensuing year.

A.C. Walter voting for E.R. Keith

and Gus H. Brunel and later ordered taken off A.C. Walter
the record by the Board of County Commissioners, Gus H. Brunel,
W.R. Green, County Clerk.
