W. R. Green Attest:-

W. R. Green County Clerk.

We, in considering the applications of applicants for the position of Physician for the Douglas County Home, Kansas, find that A. B. Sellards has made application for the position and among other things claims the right to the appointment under what is commonly termed the "Old Soldiers Preference Law."

Whereupon we did and have carefully investigated the application and qualifications of Dr. A. B. Sellards and after being fully advised as to his qualifications find that the said Dr. A. B. Sellards is, at this time, by reason of his age and physical disability, incompetent to perform the duties of the position of Physician for the Douglas County Home.

We further find that Dr. E. R. Keith, who is an applicant for the position of Physician for the Douglas County Home, is, on account of being younger in years, more vigorous in mind and body, competent and well qualified to perform the duties of the office of Physician for the Douglas Co. Home.
