

Thursday May 13, 1915.

20

Board met in regular adjourned session all members present.

Eudora
Bridge
accepted

Board inspected and accepted work on Eudora bridge.

Suggested Captains Creek Bridge and two bridges east of Clarfield also culverts south of Eudora on County Road. Also culverts in Black Jack.

County Engineers submitted the following reports.

To The Honorable Board of County Commissioners of Douglas County Kansas.

Gentlemen:-

Captains
Creek
Bridge

I have the honor to report that the work done on the Captains Creek bridge east of Eudora by Mr. King is good, and would advise the Board of County Commissioners to accept the work.

Respectfully submitted by
Co. Eng.

To The Honorable Board of County Commissioners of Douglas County Kansas.

Gentlemen:-

I have the honor to report that the work done on the Captains Creek hill east of Eudora is good, but would advise that the side ditches be opened up deeper than they are at present in order to keep the water out of the roads.

Respectfully submitted by
Co. Eng.

Board agreed with Palmyra Township to furnish the steel beams on the 16' bridge south of east of Black Jack. Also inspected bridges and roads in Palmyra and Willow Springs Township.

Board instructed County Engineer to order reinforcing rods for bridge two miles south of Lawrence, being first bridge south of R.R. Also reinforcing rods for two culverts south and east of County House and to get four batter posts for Mud Creek bridge in Grant Township.

Board adjourned:-

Attest:

County Clerk.
