Board met in regular adjourned session all members present.
Claims against the County were allowed as per allowance Record.

The City and County Commissioners met in City Hall
in regard to the New Bridge. They came to no agreement.

The main cause of disagreement was that part of ordinance
provides that in case the bridge ever belonged to city the revenues
that have been collected for use of bridge by public utilities
shall all revert to City. The Co. Commissioners objected to such an ordinance.

Co. Clerk.
