It is hereby agreed by and between the Missouri Valley Bridge and Iron Company of Lawrence, Kansas and the Board of County Commissioners of Douglas County, Kansas, consisting of E. H. Brune, J. A. Hoover and W. R. Green, that,

Whereas, the above named parties have entered into a contract for the erection of a reinforced concrete bridge, across the Kansas River at Lawrence, Kansas, and,

Whereas, the specification for said bridge provide that the County Commissioners shall pay 85% of the Engineers estimate of work done and material furnished at the bridge site, and,

change

estimate

from 85%

to 75%

Spec. Bridge

Whereas, the Law under which said bridge is now being built provides that the County may pay not to exceed 75% of the partial estimates of the engineers.

Now Therefore, be it agreed by and between the parties hereto, that the contract now existing between the Missouri Valley Bridge and Iron Company of Lawrence, Kansas, and the Board of County Commissioners of Douglas County, Kansas, be amended to read on page 59 of the specifications, forming part of said contract, as follows:

"On or about the first day of each month the Engineers will estimate the value of work done and materials furnished at the bridge site, and within twenty (20) days thereafter, seventy-five per cent (75%) of the value thus determined, less previous payments shall be paid in cash."

Witness our hands this 15 day of January, 1912.
