Board met in regular adjourned session with all members present.

RESOLUTION

Whereas, the Board of County Commissioners of the County of Douglas State of Kansas entered into an agreement with the City of Lawrence on or about November 1st 1915, whereby the said City of Lawrence made certain concessions in connection with the reinforced concrete bridge now being built across the Kansas river at Lawrence by the said Board of County Commissioners of said County of Douglas and wherein the Board of County Commissioners of the County of Douglas agreed with the City of Lawrence if the said City of Lawrence should become the owner of any public utility, that the said Board of County Commissioners would give to the said City of Lawrence the right to use said reinforced concrete bridge above mentioned to carry across said river any and all pipes, wires, concrete, etc., used in connection with or as a part of a system of any public utility owned by said City, and

Whereas, said City of Lawrence has now requested that the Board of County Commissioners of the County of Douglas grant said City of Lawrence the right to construct a water main across the said concrete bridge above mentioned beneath the West sidewalk in the place provided for the same by the Engineer of the County Commissioners,

Whereas, the said City of Lawrence has stated in said request that said water main is to be a part of the betterment of the distribution system of the Lawrence Water Plant,

Now Therefore be it resolved by the Board of County Commissioners of the County of Douglas in session at the Court House at Lawrence, Kansas on the 15th day of July, A. D. 1916, that said Board does give and grant to the said City of Lawrence the right to construct and maintain a watermain across the said concrete bridge above mentioned beneath the West sidewalk in the place provided for the same, provided said watermain is a part of a water distribution system owned by the said City of Lawrence and provided further that all extra expense occasioned by reason of said watermain being placed beneath said sidewalk and maintained there,
