

And whereas the party of the second part desires to use some of the space so provided by placing therein a four (4) inch main for the purpose of conducting gas across said bridge;

And whereas the parties of the first part desire to rent said space to the party of the second part;

Now Therefore Be It Agreed by and between the parties hereto that for the considerations hereinafter mentioned the parties of the first part hereby agree to rent to the party of the second part space under the sidewalk at the outer edge of said sidewalk on the east side of said bridge for the placing therein of a four (4) inch gas main with six (6) inch casing on said main when it crosses the A. T. & S. F. tracks and that the parties of the second part agree to pay to the parties of the first part for the use of said space an annual rental equal to fifteen (15¢) cents for each of said second party's customers on the North side of the said Kansas river in the City of Lawrence. The said second party further agrees to pay said rental semi-annually; and the parties hereto agree that this contract shall be in force for ten (10) years from the date of the completion of the re-enforced concrete bridge now being built across said Kansas river at Lawrence.

In witness whereof we have hereunto set our hands and seals this 23 day of September A. D. 1916
